Abstract:

The STOP TB Partnership's theme for World TB Day 2010 is "On the Move Against Tuberculosis: Innovate to accelerate action." This year's campaign will focus on individuals around the world who have found new ways to stop TB and can serve as an inspiration to others. The idea is to recognize people who have introduced a variety of innovations in a variety of settings.

On this website, you will find a media centre, blog, and resources. These resources include campaign documents, posters, and t-shirt designs. The resources come in six languages - Arabic, Chinese, English, French, Russian, and Spanish.
